

ABOUT ME

Hello, I'm Andreas, a passionate software developer. With a creative mindset and with my developing skills, I'm dedicated to contributing to your company's success. I'm committed to delivering optimal results, working collaboratively, and bringing a blend of creativity and technical proficiency to every project. I can be a valuable asset to your team and help achieve new milestones

- Fast Learner
- Perfectionist
- With willingness to learn

EDUCATION

BSc in Computer Science 2016 - 2020
Ionian University

I completed my studies at Ionian University in **2020**. During my studies I learned to solve problems and to withstand all the pressures I encountered.

The University has provided me with the opportunity to develop multiple basic programming skills in:

- Unix Commands
- C & C++
- Java and Javascript
- Python
- HTML5 & CSS
- PHP
- SQL

Army Service 2014 - 2016
Cyprus Special Forces

During the years **2014 to 2016** I fulfilled my military duties in the Special forces of Cyprus (LOK). Being a Special forces soldier has taught me the meaning of discipline and responsibility, as well as alertness and composure in times of emergency.

- Training in weapons
- Mental endurance

Higher Secondary Education 2011 - 2014
Lyceum of Kolossi

I graduated from Kolossi high school in **2014**.

Enhanced courses:

- Mathematics
- Physics
- Computer Science
- Gymnastics

EXPERIENCES
