👤 ABOUT ME

Hi, my name is Andreas. I am graduate of the IT department of the Ionian University. I am looking for an IT position where I will use my technical skills. I have developed basic skills in many programming languages that I learn in my semester and also by myself in my spare time. Another key point that I want to mention is that I am hardworking and try very much to get the best result. I am very honest and I can work in a team.

- Hardworking
- Perfectionist
- With willingness to learn

🎓 EDUCATION

BSc in Computer Science   2016 - 2020
Ionian University

I completed my studies at Ionian University in 2020 with a grade of **7.8/10**. During my studies I learned to solve problems and to withstand all the pressures I encountered.

The University has provided me with the opportunity to develop multiple basic programming skills in:

- Unix Commands
- C & C++
- Java and Javascript
- Python
- HTML & CSS
- PHP
- SQL

Army Service   2014 - 2016
Cyprus Special Forces

During the year 2014 to 2016 I fulfill my military duties in the Special forces of Cyprus (LOK). Being a Special forces soldier has taught me the meaning of discipline and responsibility, as well as alertness and composure in times of emergency.

- Training in weapons
- Mental endurance

Higher Secondary Education   2011 - 2014
Lyceum of Kolossi

I graduated from the Kolossi high school with a grade of **17/20.**

Enhanced courses:

- Mathematics
- Physics
- Computer Science
- Gymnastics
